**AFFIDAVIT**

I, Washington, Randull K. Jr., of Stafford, in Stafford County, Virginia, MAKE OATH AND SAY THAT:

1. I, Washington, Randull K. Jr. , being duly sworn, hereby depose and state as follows:

1. Introduction

I am the Plaintiff in the above-captioned matter, and I submit this affidavit in support of my motion for the inclusion of evidence regarding actions taken by Mr. Ryan Wilbur as Ex. A. These actions have resulted in a detrimental impact on my reputation and the impartiality of judicial proceedings related to my case.

2. Description of Mr. Wilbur's Actions:

Mr. Ryan Wilbur, an individual with significant influence in the community, made public statements and disseminated information that effectively convicted me in the eye of public perception of specific acts prior to any judicial determination. These actions were taken without regard to the ongoing judicial process or the presumption of innocence afforded to all individuals.

### 3. Impact on Public and Judicial Perception:

a. Grand Jury's Perception: The premature judgment rendered by Mr. Wilbur's public declarations likely prejudiced the grand jury's perception against me, potentially influencing their evaluation of the evidence presented during the pre-trial phase.

b. Judge's Perception: Similarly, the pervasive public sentiment shaped by Mr. Wilbur could have indirectly influenced the judge's perception, creating an implicit bias even before the presentation of evidence by the prosecution, the defense's presentation, and during the cross-examination process.

### 4. Prejudicial Effect on Judicial Proceedings:

The actions of Mr. Wilbur, in prejudging and publicly disseminating a conviction of my character and actions, have undermined the integrity of the judicial process. This prejudicial public narrative has the potential to contaminate the objectivity required during judicial proceedings, affecting the fairness and impartiality crucial to my right to a fair trial.

5. Request for Inclusion of Evidence: Based on the significant impact Mr. Wilbur's actions have had on public and potentially judicial perception, I respectfully request that this court allow the inclusion of evidence regarding Mr. Wilbur's actions. This evidence is crucial for demonstrating the prejudicial environment created prior to and during the judicial process, warranting this court's consideration for ensuring a fair and impartial trial.

### 6. Conclusion

The prejudicial public narrative, fueled by Mr. Wilbur's actions, has placed an undue burden on my ability to receive a fair trial. It is imperative that the court considers the impact of these actions on the integrity of the judicial process and my rights to due process and a fair trial.

I affirm under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

**Stabbing Arrest**

**By PIO Ryan Wilbur**  
**January 3, 2024**

A 24-year-old Stafford man is behind bars after a violent attack yesterday morning.

On January 2nd at approximately 7:58 a.m. Communications Officers received a call from someone advising they had just been stabbed. Due to the nature of the call, deputies quickly responded to the Shelton Knolls Subdivision. When deputies arrived, they observed two males holding another down. Deputies took over the scene by detaining the suspect, providing first aid to the victim, and uncovering what occurred.

It was discovered the suspect, Randull Washington Jr., was upset due to a family matter and began making threats. An argument escalated into a fight between Washington Jr. and another family member. The victim attempted to intervene in the altercation when Washington Jr. stabbed him in the back of the neck. Both the family member and victim were able to disarm Washington Jr. and hold him down until deputies arrived.

The victim was transported to a local hospital where he was treated for his non-life-threatening injury. Washington Jr. was charged with felonious assault, as well as, domestic assault and battery. He was held at Rappahannock Regional Jail without bond.
